The Subdivider or its designee shall have the right to refuse approval of any application for any reason which the Subdivider or its designee, in its sole discretion, may deem to be in the best interest of the subdivision. In the event any proposed construction is not commenced within one (1) year from the date said plans and specifications have been approved by Subdivider, said approval shall lapse and it shall be the responsibility of the Lot owner to re-apply for approval prior to the commencement of construction.

r. Other than applicable requirements of the Iowa City Zoning Ordinance and the Subdivider's Agreement entered into with the City of Iowa City in connection with the approval of the subdivision, the Subdivider may waive or consent to variances in any of the preceding building regulations to prevent hardship to or unintended results for any Lot owner.

The Association shall also have the right to enforce any Protective Covenant and Restriction.

6. In the event the need for maintenance of any portion of the Common Area is caused through the willful or negligent act of a Lot Owner, his/her family, guests or invitees, as determined by the Board of Directors of the Association, the cost of such repairs or

replacement shall be paid for by such negligent Lot Owner or shall be added to and/or become an assessment against such Owner's Lot.

The periodic and special assessments, together with interest, costs and reasonable attorney's fees required for collection of past due assessments shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the Owner of such property at the time when the assessment falls due. The personal obligation for delinquent assessments shall not pass to any successors in title unless expressly assumed by such successor, but the lien therefore shall remain until foreclosed or released.

10. The periodic assessment shall be set annually by the Board. In addition to periodic assessments, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of special maintenance, or to cover operating deficits from prior or current periods. The periodic assessment shall be paid at least annually.

11. Adjustments to the periodic assessments shall commence on all Lots on the first day of the month following the Board of Directors approving such an adjustment or at such other later time as the Board of Directors may adopt when setting the adjustment. Written notice of a special assessment shall be sent by the Board to every Owner subject thereto. The due dates for all assessments shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an officer of the Association setting forth whether the

assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any Lot shall be binding upon the Association as of the date of its issuance.

Provided, however, the sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer.

15. Notwithstanding the foregoing, the Developer, but not to include any successors or assigns, shall not be subject to any assessment on any undeveloped Lot it may own.

16. Developer, at its discretion, may add Lot owners of future phases of Stone Bridge Estates to the Association.

ARTICLE III – GENERAL COVENANTS

1. These restrictive covenants shall not be binding upon any lot in said subdivision so long as title thereto remains in Arlington Development, Inc.

2. The approval required of the Subdivider under the terms of these Restrictive Covenants shall be exercised by Arlington Development, Inc. or such person or entity as it may designate in writing. Any reference in these Covenants to Subdivider or Developer shall refer to Arlington Development, Inc. or such person or entity as it may designate in writing.

3. The Restrictions of these Protective Covenants shall remain in effect and shall inure to the benefit of and be enforceable by Arlington Development, Inc., or any owner of a lot or part of the real estate or other property as is hereinafter made subject to these Protective Covenants, for a period of twenty-one years from the date hereof. Said Covenants may be renewed and extended, in whole or in part, beyond said period for successive periods not to exceed twenty-one years each if an agreement for renewal and extension is signed by the owners of at least two-thirds of the lots in all platted phases of

the Stone Bridge Estates subdivisions and also by Arlington Development, Inc., if it is the owner of any real property then subject to these Covenants. No such agreement or renewal and extension shall be effective unless filed of record in the office of the Recorder of Johnson County, Iowa.

4. If the parties hereto or any of them or their heirs or assigns, shall violate or attempt to violate any of the covenants or restrictions herein during their existence as provided for in Paragraph 7, it shall be lawful for any other person or persons owning any other lot in said subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenants or restrictions and either prevent said person or persons from so doing or for recovery of damages or other dues for such violation. The prevailing party in any such action shall be entitled to recover its costs, expenses and reasonable attorney's fees from the other party.

5. Invalidation of any one of these Covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

6. So long as the lots in the subdivision are owned by Arlington Development, Inc., said lots shall not be subject to assessment by or considered a voting member of the Association. A lot shall be subject to assessment by and considered a member of the Association upon the earlier of the sale or conveyance of said lot by Arlington Development, Inc. to a third party or upon the Association assuming title to and all of the maintenance responsibilities of the common areas within the subdivision.

The Subdivider, at its discretion, shall convey title to the common areas in the subdivision to the Association, and may also convey title to any common areas existing in any future Stone Bridge Estates subdivisions to the Association.

7. The Owner of any lot subject to these protective covenants assumes, by acceptance of a Deed for the lot, Subdivider's obligations with respect to such lot for: (i) soil erosion control on such lot from and after the delivery of the Deed; and (ii) installation of sidewalks or trails as required by the City of Iowa City, if not already installed by the Subdivider. Such Owner shall cooperate with Subdivider in obtaining a transfer of any soil erosion control NPDES, CSR or other governmental permit with respect to soil erosion, wetland and other environmental laws, to such Owner or the cancellation or other termination of the permit currently in the name of Subdivider or its affiliate, and the reissuance of a permit in the name of such Owner. At any time required by Subdivider, any party accepting a Deed for any lot or part thereof shall execute the appropriate documentation required by the Iowa Department of Natural Resources, the City of Iowa City, Iowa, or other governmental body to release Subdivider from responsibility for executing a soil erosion plan (including monitoring and record keeping) as it applies to the lot for the period of time after the delivery of a Deed for such lot, and to release Subdivider from any other obligation for environmental matters for the period of time after delivery of a Deed. Any party that accepts a Deed for any lot or part thereof who fails to cooperate with Subdivider, fails to execute documentation to relieve Subdivider from responsibility for soil erosion or fails to comply with the lawful

requirements for control of soil erosion shall be obligated to hold Subdivider harmless from all liability, costs and expense, including reasonable attorney fees, arising from such failure by such party.

8. Subdivider may, at any time prior to the time at which Subdivider no longer owns any of the real estate, subject additional property which is contiguous to the real estate to these Protective Covenants and Restrictions by written instrument filed in the records of Johnson County, Iowa.

9. Except for the terms and provisions of Paragraph 6 above which can only be unilaterally amended by Arlington Development, Inc. or its designate, these Restrictive Covenants may be amended from time to time with the written consent of the owners of at least two-thirds (66.67%) of the lots located within those parts of Stone Bridge Estates subdivision that have been final platted. Said amendment shall be executed in writing and signed by the owners of at least two-thirds (66.67%) of the lots within the platted parts of Stone Bridge Estates subdivision and the same shall be filed of record in the office of the Johnson County Recorder. Notwithstanding the above, so long as any lot in the Stone Bridge Estates subdivisions is owned by Arlington Development, Inc., any amendment to these covenants is valid only upon the written consent of Arlington Development, Inc.
